DEDICATION

It is an annual tradition that the reigning monarchs of the San Diego Imperial Court are given the honor of selecting the dedication of the coronation program. We have chosen Mr. Rick Ford whose past history of involvement in the gay court system dates back to 1972 in Long Beach and 1975 in San Diego. His belief in the good that comes from the court system in the field of social service is the main reason for his involvement....his belief and support of the work done by the XI Imperial Eagle Court will always be an important cherish part of our reign.

Thank you Rick, we love you.

The Eagle Empress XI
Nicole Murray

The Falcon Emperor XI
Mr. Craig Morgan

MASTER OF CEREMONIES

MR. BOB CRAIG

EMPEROR III A.N. OF SAN FRANCISCO

PRESIDENT OF THE CABLE CAR AWARDS OF SAN FRANCISCO

XI IMPERIAL EAGLE COURT

"The Pride of San Diego"

WHAT IS "THE COURT SYSTEM' ???

In brief, The Court System is a social community-service organization. When the system originated in San Francisco over 18 years ago, it was strictly "camp" fun and from that beginning we derived our "camp" titles...i.g. "Emperor and Empress" (those who serve for one year as the presidents of our organization); 'Coronation" (a gala function held once yearly at which time we elect our new officers); etc. As the elected officers of our organization, our primary goals are to further relationships with organizations and businesses within our community, to hold functions and fundraisers for the enjoyment of the community, to raise money for charitable organizations, and to help those in the community who are in need of our assistance. For example...The San D iego Court System has been responsible for scholarships to Gay Male and Lesbian students; numerous fundraisers for our Gay Center, churches, Stepping Stone, S.A.G.E., dignity, etc., etc. The San Diego Court has also reached outside of our own Gay community with financial assistance to the County's Retarded Children's Association, the **San Diego Union's** Children's Shoe Fund Drive, Special Olympics, Home for Battered Children, etc., etc., etc. The Imperial Court also makes visits to senior citizens' homes, orphanages here and in Mexico, homes for special children, etc., etc., etc. One can compare the court system to a Gay Shriners orElks, etc.

The Imperial Court de San Diego has been in existance for over ten years. Most major cities in the Western United States and Canada have a court system in their community. In California alone there are approximately 32 courts. So in essence, we are a chapter in an international organization. Our monarchs attend coronations throughout the country and Canada representing san Diego and sharing in furthering relations with outside communities. **No one** associated with our arganization personally receives any monetary gain from any money raised at our functions. The money goes directly back into the community as outlined above.

Throughout the years, the Court System has raised hundreds of thousands of dollars collectively to channel back into charitable, social and political causes. When Anita Bryant and Prop. 6 (the Briggs' initiative) surfaced, the Court System raised thousands of dollars to help defeat these anti-Gay crusades.

You are probably wondering: "Why aren't they more well known?" Thet has been our mistake! We now realize that it is very necessary to publicize our positive contributio;ns so that the community is made aware of the history, actions, and credibility of our organization.

Perhaps the best aspect of our organization is that it is open to anyone and everyone. There is absolutely no discrimination as is evident in that our members represent every aspect of society, both Gay and straight. A person's gender, lifestyle, or mode of dress has no bearing whatsoever on acceptance in our group. **EVERYONE IS WELCOME!!!**

For further information about our organization, our upcoming events, or if you are in need of our assistance, please contact any of our current officers whose names and phone numbers are listed below. Please remember...**WE ARE HERE TO SERVE YOU.**

As I reflect on the events of the last twelve months and the people involved in shaping them, I find loving memories of this past year!

With all my heart, I wish to say that no other honor in my life has left me with such pride as that of being your Emperor. I did my best and through hard work brought honor to the community of San Diego. My strength to perform these labors of love came from you my friends and the community who believed in me.

The accomplishments of our reign are many, but few of our projects would have been successful if not for the dedicated and loyal members of the XI Imperial Eagle Court and the efforts and contributions of the many individuals and businesses who have given so freely of their valuable time and resources. Your contributions to worthwhile and charitable projects for the benefit of the entire community has brought honor and dignity to us all.

My travels as Emperor this year have enabled me to meet many new people and establish bonds and friendship that I shall always cheerish. Special thanks to all of our visiting courts and friends and their Monarchs not only for being here this evening, but for all your outstanding hospitality and love you have shared with me this year.

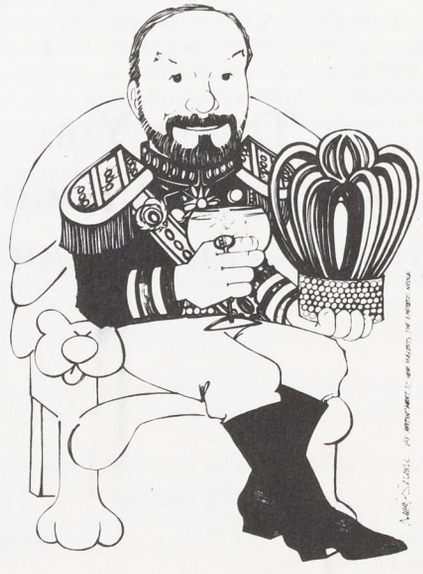
There are so many to thank and you know who you are....However there are some very special thank you's I wish to express...Ron Umbaugh (Crypt) for your faith in the begining - Ed Coleman (A Different Drum) for continued love & support - Lou & Carol (Brass Rail, No.1, Matador, &?) for encouragement & trust - Chris Shaw (WCPC) for continuous support of our community - Mr. Dillon's for being available for all of our functions - Rick Harris for capturing our year in pictures - Larry Gaines & Ross Evans for keeping the party going - Guy Haxton humility and consciousness of others feelings - Al Mangum for understanding and open arms - Tiffany for being you - Mom "Jewel" for being just that - Robbie "M" for service above and beyond - Jim Weatherall for your counsel - Jim Bernert & Gordon Miner for always being there - Marilyn Starr for always shining even in the dark - Robert Merrel for making me look like an Emperor - Jeff Wilson (Hot Wax) for helping me to escape now and then - Accord, Gayzette & Update for your outstanding coverage - Gary Rogers (Professional Instant Printing) for your patience and quick service - Rick Ford (Top Deck) for your friendship and just being you - Robert Silbaugh for your faith and love - Jerry Pepper and the Staff of NO.1 for your support and friendliness, making me feel wanted and loved - A.J. & the Iron Spur for giving me the time for my year - Bill Williams for your COURABE, DEDICATION, STRENGTH, WORK & LOVE - My roommates Howard Hochhalter & Dee Anderson for putting up with it all, your unfailing trust and support, special favors & love YOU ARE MY UNSUNG HEROES.

To the most outstanding Empress ever, the Golden Eagle Empress, Empress XI, My Empress, MY FRIEND Nicole, I thank you for a new begining. We have shared the best reign ever, filled with laghter tears and love, forming and strengthening the bonds of our friendship. A friendship few will ever understand. You have given me the strength to be me. "After you, who could there be?" You are truly "THE STRENGTH OF THE COURT'S PAST, THE PROMISE OF IT'S FUTURE".

LOVE,

THE FALCON EMPEROR

EMPEROR XI MR. CRAIG MORGAN



A year ago I was honored to have been the first Empress in North Americ to be elected three times by her own community.

History will judge the reign of the XI Imperial Eagle Court as one that reach out to those less fortunate than ourselves, the senoor citizens, the abused, the handicapped and under spirit children. Our record of involvement and financial support of countless Gay/Lesbian organizations and concerns is one unmatched in our entire court's history.

Thank you! Because it is and has always been your support that has enabed us to help others. The court system is only an instrument of the generosity and concerns of the community it serves. The financial support of our Gay/Lesbian bars, businesses and individuals has been responsible for the productive record of social service by the XI Imperial Eagle Court.

There have been some that did not understand the seriousness and legal of the administration of my Empire and I. True, our court system was founded on "camp"....But these my friends are not days of camp and laughter for the Gay/Lesbian movement. It is time that the entire gay court system realizes the realities of the 80's and leave the care free, unconcerned party attitude of the seventy's behind.

In over 12 years of involvement in the Gay/Lesbian community of San Diego County, I have witnessed in the last few years a coming together of all our different organizations and lifestyles to the reality that to succeed in our goals we must accept that we are "one family" and that we have the same enemies. For so many years I have begged you to accept each other as brothers and sisters....Not to judge each other on one's age, clothes, color, job or lifestyles. You should all feel proud because we have come much closer to reality. "ACCEPTANCE" OF ONE ANOTHER IS THE KEY TO THE WORD "UNITY" AND "UNITY" IN POLITICAL VOTING BLOCKS GAY/LESBIAN CAUSES WILL BRING US THE "VICTORY" IN OUR HUMAN RIGHTS AND POLITICAL GOALS.

I wish to sincerely welcome all of our visitors from all over North America. You will never know how good your pleasure makes Craig and I feel. I have met so many people who have become very special to me....you all know who you are.

In closing I wish to acknowledge four different but beautiful men who I love so very much.

First, the most greatest of all court members who has stood behind me for so many years, no one has ever proven to me the meaning of the word "Loyalty" more than my Golden Eagle Czar, Mr. Jim Weatherall...I love you.

Second, a handsome man that my being Empress has at times been very difficult for him, I'm sorry for taking so much out on you. Since we met over 9 months ago it has been like a Roller coaster ride.....I know being my lover isn't easy....but know no matter what happens....I love you D irk Moon.

Third, my closest friend, he has shared so many of my private times of laughter, sadness, tears and joy...because of him I never felt alone, because of this and his years of friendship....even through all our little silly fights....he means more to me than he will ever know. Always know that you are loved, like the brother you are. ...Rick Ford.

Lastly, my Emperor, my "Royal" husband, but most important after over 8 years....now truly my friend. Let it be known that it has been because of Mr. Craig Morgan that this year has been a success. Without this man by my side, there would not have been a productive Empress XI Nicole...

And let history write, that of all the greatest gifts that this Eagle Empress received during this, her third reign, it was the most beautiful gift of a new and everlasting friendship....Mr. Craig Morgan...I love you.

God bless all the subjects of this Relm.....

Your XI Sovereign,

LONG LIVE THE MONARCHY!

THE IMPERIAL ORDER OF THE FALCON

FROM TIMES PAST WHEN ONLY THE FROM TIMES PAST WHEN ONLY THE MONARCHY COULD AFFORD TO OWN ONE OF THESE MAGNIFICENT CREATURES, THE FALCON HAS BEEN KNOWN AS "THE MASCOT OF KINGS.' THEY WERE NOT ONLY USED FOR HUNTING, THEY SOON BECAME COMPANIONS TO IT'S MASTER OR MISTRESS ALWAYS LOYAL & TRU AND HIGHLY PRIZED.

THIS YEAR I CHOSE TO USE THE FALCON AS MY SYMBOL. A SYMBOL OF FREEDOM, DETERMI% NATION, LOYALTY AND STRENGTH. I KNOW THAT I CAN NOT ALWAYS LAY CLAIM TO THE FALCON AS MY SYMBOL ALONE, SO I WISH TO SHARE IT WITH MY FELLOW MONARCHS AND THOSE INDIVIDUALS WHO EXCEMPLIFY THESE SAME CHARACTERISTICS. IN SO DOING I WISH TO HONOR THE EMPERORS FIRST.

I HEREBY CREATE 'THE IMPERIAL ORDER OF THE FALCON".

XI EAGLE COURT INVOLVEMENT TO THE END!

Gays Protest Funding Level In AIDS Research

The San Diego Union/Bob Ivins

About 400 persons attend a rally sponsored by the San Diego gay community to protest lack of funds for AIDS research. A vigil also was held at The Union-Tribune.

By DON WILLIAMSON
Staff Writer, The San Diego Union

A group estimated by police at more than 400 people staged a candlelight march last night in Hillcrest to protest what they called a lack of federal funds for researching a cure for AIDS (acquired immune deficiency syndrome).

The demonstration, part of a nationwide protest, also included a much smaller candlelight vigil in front of the offices of the Union-Tribune Publishing Co. to show the displeasure of the gay community with a syndicated column published on the Tuesday "op-ed" page of *The San Diego Union.*

A group of about 40 took up positions, shortly before 11 p.m., on the grass in front of the Union-Tribune building, and announced plans to spend the night.

Earlier, moving in step to the beat of a solitary drum, the procession moved from Sixth Avenue and Laurel Street to a position in front of the Brass Rail Club at Fifth Avenue and Robinson.

Nicole Murray, one of the march organizers, told the group, "People are dying." He said the gay community was angry and urged those in attendance to write their congressmen to gain financing for AIDS research.

Murray said the AIDS situation was an example of the Reagan administration's "lack of sensitivity and concern for minorities."

He also called the publication of the Patrick Buchanan column, "Nature's War on Homosexuals," Tuesday in The Union, "disastrous, irresponsible, bigoted, false, hateful and lying."

He charged that if the column had dealt with women or any ethnic minority it would not have been published. An effigy of Buchanan sat at the foot of the podium near the side entrance to the Brass Rail.

Al Frank, another march organizer and a member of the Shanti Aids support group, spoke of the suffering of AIDS patients and told the audience, "You and I probably have it (AIDS), and are waiting for it to hit."

A collection for area residents suffering from the disease was taken at the end of the rally and a steady stream of dollar bills flowed into the upturned drum that had marked time for the marchers.

John Ciaccio, a spokesman for the local gay community, said the march was necessary because the "federal government has moved very slowly in AIDS research funding and it also is in memory of those who died."

The most recent figures indicate that 558 people have died nationally after contracting the disease for which there is no known cure. AIDS breaks down the body's defenses against disease and leaves victims vulnerable to a variety of infections and cancer.

More than 70 percent of the nearly 1,500 cases of AIDS that have been reported since June 1981 have involved male homosexuals or bisexuals with multiple partners. Intravenous drug abusers, recent arrivals from Haiti and hemophiliacs also are in the high-risk category for AIDS.

Tuesday, Dr. Edward Brandt, an assistant secretary of health and human services, called AIDS "the No. 1 priority" of the U.S. Public Health Service. On the same day, he announced the creation of almost $2.5 million in new grants for additional AIDS research.

Ciaccio, however, called these actions "too late and not enough. More than $22 million in grants have been sitting on their (the government's) desks for months.
